CTS TECHNOLOGY SOLUTIONS, INC. RECEIVES UNIFIED COMMUNICATIONS INDUSTRY'S TOP AWARD

*Technology Assurance Group
Recognizes CTS Technology Solutions,
Inc. As the Winner of the Outstanding
Economic & Customer Satisfaction
Award at their 16th Annual TAG
Convention*

SOUTHERN ILLINOIS AND ST. LOUIS — April 19, 2016 — CTS Technology Solutions, Inc., a leading unified communications provider, announced today that the company received Technology Assurance Group's top award at the 16th Annual TAG Convention held in Chicago, IL in April. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected CTS as the winner of the Outstanding Economic & Customer Satisfaction Award. CTS received the recognition during an awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The industry holds this award in the highest regards, and is only given out once per year. Winners are selected based on their exceptional economic performance and superior customer satisfaction. "When you place the customers' needs ahead of your own it's incredible how quickly profits come. By focusing on strong customer service and consistently exceeding our customers' expectations, we have developed

quite a reputation in the community," said Ms. Ethington. "When our customers can rely on us to be their trusted technology advisor, we experience unfaltering customer loyalty." The Award was received by Kelly Ethington, President, and Dave Heuman, CEO of CTS.

"CTS is dedicated to increasing their customers' profitability, enhance their employees' productivity and give them a competitive advantage through the utilization of technology," said Brian Suerth, President of Technology Assurance Group. "Kelly leads a team that is committed to the success of its customers, and his customers know this. That's exactly why they keep coming back."
